**Joseph Conrad Society (UK)
Virtual Conference
Via Zoom meeting
8th to 10th July 2021**

The Joseph Conrad Society (UK) is delighted to announce a three-day virtual conference on all aspects of the works of Joseph Conrad. This conference is in addition to the annual International Conference which will take place at Università d'Annunzio, Chieti, Italy, between 9th and 11th September 2021.

To accommodate our international membership, the conference will consist of one three-hour session per day, delivered via Zoom meeting, beginning at 2 pm BST. Each session/day will include five 15-minute papers, followed by discussion time.

Papers of 15 minutes are now invited.

The Committee will give preference to papers from Early Career Researchers, and those who are generally unable to attend Conrad Conferences in London. However, we warmly welcome the whole Conrad community and invite all interested scholars to submit proposals.

Please send abstracts of no more than 250 words to the Conference Secretary, Kim Salmons, at kim.salmons@stmarys.ac.uk. **Deadline:** 31st March 2021.
